

To all at Matlock Bath, Holy Trinity Church

I am so grateful for all the support given by your church to the work of CMS in Ecuador over the years. I am sending you this update from my last visit in April this year. I am due to return next February to help set up a new ministry.

The work continues and continues to expand. If you would like to know more about the current situation, or would like a visit after my return from Ecuador next year, please contact me at [jballliata@hotmail.com](mailto:jballliata@hotmail.com)

I wish everyone at Holy Trinity a peaceful and blessed Christmas and a fruitful year ahead in the Lord

Jill Ball
